

Which Zone do I live in?

Why does Alberta Health Services have Zones?

Alberta Health Services (AHS) divides the province into 5 geographical zones to make it easier to manage and make decisions. Managing 5 zones makes it easier for us to listen and respond to our local communities, staff members and, ultimately, **you**.

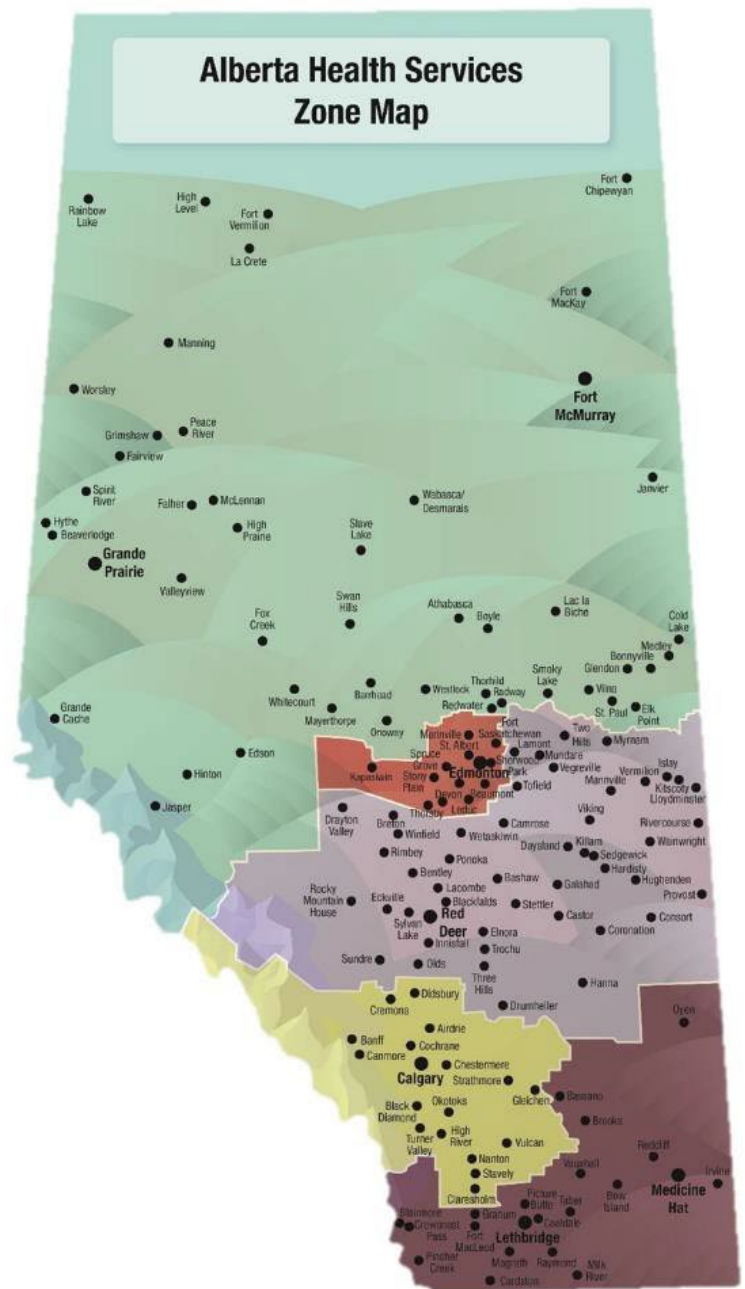

What are the Zones?

Our 5 geographical zones are:

- [North Zone](#)
- [Edmonton Zone](#)
- [Central Zone](#)
- [Calgary Zone](#)
- [South Zone](#)
