

## Overview

The Indigenous Health North Zone Program works with Indigenous people, communities and key partners. We offer reachable and inclusive health services for First Nations, Métis and Inuit people in Alberta's north.

## Indigenous Wellness Coordinators

North Zone Indigenous Wellness Coordinators (IWCs) are available to offer:

- Support
- Referrals
- Education
- Health services information
- Translation support
- Indigenous healing services for patients, families, and health professionals

### Our commitment to Indigenous peoples and communities

AHS is committed to the shared vision of achieving health equity with and for Indigenous peoples in Alberta.

Our *Indigenous Health Commitments: Roadmap to Wellness* charts our organizational path forward.

## Indigenous Supports & Services

## Honouring Indigenous approaches to wellness

Indigenous peoples have had wellness traditions and beliefs for a long time. Our goal is to respect and support these traditions and beliefs when we offer care and help.

We are available to help staff and patients by request.
