2016 Our People Survey

A measure of our people's engagement and patient safety culture.

2017 Our People Pulse Survey

We checked in to see if we were having success sharing and acting on the 2016 results.

2019 Our People Survey

This spring we will track our progress. Take action. We are stronger together.

At AHS, we care about our people. Our journey to increase engagement and strengthen patient safety culture improves the care of our patients and families.
